=> 1

=> 0.30000000000000004

=> true

2 is arity of the function

=> [2, 3]

=> 1

=> [2, 3]

=> true

true is an atom. Atom holds
it's name and it's value.
false and nil are atoms too.

=> "Hello!"

=> 6

special charachters like
É weights 2 bytes.
